Ohio Disaster Relief is prepared to be among the initial responders during emergencies, providing Help, Hope, and Healing. Our training equips us with more than just the ability to arrive and assist; we develop a comprehensive skillset. If you want to directly experience what it truly means to support individuals facing some of the most challenging moments of their lives, this breakout on Ohio Disaster Relief is the opportunity for you.

Dr. Ryan Strother / SCBO Director of Convention Support & Biblical Counselor

A Healthy Leader. Our hearts are influenced as leaders that produce certain ways of thinking, acting, and choosing. In this breakout we will discuss the wellness of the leader which will lead to thinking, desiring, and choosing the better path forward. This is for pastors and leaders.

What a year it has been with the Summit Association of Churches. Our focus over the past 2 years has been building and growing relationships and giving a reason for being a part of an association of churches. In summary, answering the “why” of associating. Here are a few “reasons”...

- This past year we have seen an increase in joint fellowships where 8-10 congregations have been represented through pastoral dinners, association picnics / gatherings, and participating events.
- Last Christmas, we provided thousands of stocking stuffer toys for at least 6 of our congregations.

- In the spring, our association sponsored a portion of a 5K walk / run with Connect Church to provide mission funds for their youth group to minister alongside of an association outside of Asheville, NC.

- In the summer, we engaged multiple attendees of the Summit County Fair along with providing school supplies to over 7 congregations and ministries. I also had the privilege to officiate the wedding of Peter and Tiffany Hodge at Central Community Church. In a moment we will celebrate their baptisms.

- As an association, we have assisted our Romanian brother, Pastor Mihai Cabau's daughter with remaining in the US as a student by contributing to her school semester funds. I have been able to assist in a pastoral ordination and deacon ordination, as well as, working with pastoral search teams.

- In September, Pastor Robert Hale and I flew to the Florida Keys and met with 8 of 12 congregations to encourage partnership and strengthen relationships. On October 5, at the Florida Keys Baptist Association, they agreed to partner in ministry and missions with us as well.

These are just a few reasons to partner with the Summit Association of Churches. I am currently pursuing other likeminded congregations to partner with their strengths to assist us in becoming a greater Kingdom Impact in our region.

The next two years we will continue to build our relationships, but also focus on strategic partnership! Thank you for allowing me to be a co-laborer alongside of you to the glory of God and for His Kingdom alone.

Mark Jones, Association Mission Strategist

CREDENTIALS POLICY

Whereas, We believe that Summit Baptist Association is a voluntary cooperation, not a cooperation that is coerced or a result of external pressures.

Whereas, We believe that the purpose of such committee as ours is to address and recommend to the body so that sensitive issues do not have to be hashed out on the floor of the annual meeting.

Whereas, We believe that the leadership is a privilege of those who demonstrate the highest level of commitment to an organization in time, talents, and treasures and stewardship means responsibility and ownership.

Whereas, It is the desire of this Credentials Committee that churches be *restored* to fellowship not *removed* from it.

Whereas, Our constitution states:

ARTICLE V - AFFILIATION *Section 1: This Association shall be composed only of Churches who demonstrate their loyalty to and cooperation with the Southern Baptist Convention and the State Convention of Baptists in Ohio (affiliated with the Southern Baptist Convention) as they work together in the cause of **Christ**.*

Whereas, We believe that the following criteria should be a frame work, not a task master, for determining what constitutes "loyalty" and "cooperation."

- Regular giving to both the association and cooperative program
- Regular attendance at associational and SCBO functions such as Executive Committee, Pastor Fellowship, Pastor's network, State Evangelism Celebration, State Convention, Associational Annual Meeting
- Regular reporting of Annual Church Profile (ACP)
- The demonstration of integrity of leadership within the church that doesn't damage the reputation of Christ and/or the congregations within our association.

We motion to the messengers of the annual meeting that the churches on the attached list be considered churches of our association. In addition, churches with an asterisk (*) do not fulfill the above requirements and are considered watch care churches having the benefits of the association without voting privileges.
